Summary

Coorparoo is close to the centre of Brisbane - approximately 4 kms south-east of the Brisbane CBD providing an easy commute, and is generally characterised by a mix of established single dwellings and modern multi-unit residential complexes along tree-lined streets.

At the heart of the suburb is Coorparoo Square, offering shopping, dining and entertainment with a supermarket, speciality retailers and a 10-screen cinema. The suburb is well-served by public transport, with tram routes to the centre of Brisbane, an overground train station and development underway for a bus station. It also offers a number of public and private schools with six major schools in the area – both primary and secondary – as well as several child care centres.

This development will consist of a two-level residential complex, comprising 8 two-bedroom apartments with car parking and one three-level townhouse with a double garage.

This Syndicate-Fund will refinance an existing land debt facility and finance the new residential development. Full details are available on request in the Supplementary Product Disclosure Statement (SPDS).
